

## Helpful Hints

Thank you for volunteering to assist the students at *JA BizTown*. The job you have today is very important. Please read and use the helpful hints listed below as you work with this business. If you have any questions or concerns, please ask a *JA BizTown* staff member.

1. Before the Pledge of Allegiance, the Manufacturing Manager will go to the Distribution Center with a \$5.00 check to purchase supplies.
2. After entering the Loan Amount from the **Business Costs Sheet**, the CFO should print a \$5.00 check to the Distribution Center for supplies, then enter the employee information and print payroll checks for Pay Period 1 and Pay Period 2 before the Opening Town Meeting.
3. Other checks to pay bills should be printed **only** after the CFO receives an invoice and the payment should be checked off the **Accounts Payable Checklist**. All payments will be mailed using the self-addressed envelope which will be provided with the invoice. The envelopes will then be placed in the Brown UPS mailbox in town square.
4. Lab Works will borrow money from the Bank. The CEO will take the **Loan Application** and **Promissory Note** to the Bank after the Pledge of Allegiance.
5. During the business start up time, the Manufacturing Manager and CEO should review the **Merchandise Catalogue** and determine the additional items that Lab Works can purchase from the Distribution & Delivery Center and manufacture and sell today. Review the directions in the front of the Catalogue to help assist the students.
6. During the business start-up time the Chemist will perform their experiment "Elephant toothpaste" and then assist the Manufacturing Manager with making the other products to sell, Lava Bottles and Slime.
7. When the CFO takes a business deposit to the Bank, the deposit will consist of a business deposit ticket stapled to the multiple checks making up the total deposit.
8. Instruct employees to follow all equipment directions carefully and ask for assistance from the *JA BizTown* staff, if anything is unclear or not working. **DO NOT TRY TO FIX IT YOURSELF!**
9. Only trained employees should use the sales computer.

10. As students begin to **price products**, use the **Laminated Pricing Worksheet** and give guidance and reminders through the following pricing techniques:
  - Know the amount of money needed, with interest, to pay off the bank loan.
  - Divide the loan amount by the total number of products to get an average price.
  - Set prices. Nothing should be priced under \$2.00.
  - The total of all item prices must be enough to pay off the loan.
  - Do not open for business until pricing is completed.
  - Do not allow students to lower prices at anytime, without your approval. Check with a *JA BizTown* staff member first.
11. As the students price products, have the CEO write the prices on the laminated Pricing Worksheet. Be certain prices are high enough to pay off the bank loan and make a profit. Be patient, as most sales will take place during the second set of breaks later in the day.
12. Manufacturing Manager(s) should display their items attractively and put a price tag near each group of items to be sold.
13. Encourage students to use creative promotions to draw customers into their business.
14. Lab Coats may be worn and should be hung up neatly on the wall rack during clean up.
15. When the Manufacturing Manager(s) goes on break, the CEO should take over to assist customers.
16. At the end of the day, be certain that all unsold merchandise, student Simulation Folders and Volunteer Manuals remain in the business.

# Facilitator Directions

## START-UP TIME

(45 minutes)

Start-Up Time lasts a total of 45 minutes. This Start-Up time involves:

- **First 10-15 minutes is uninterrupted time for Staff Meeting #1.** This meeting allows time for the discussion listed below and time for students to read their own Job Simulation Folders.
- At the conclusion of this uninterrupted time, the Pledge of Allegiance signals that those students whose jobs take them out into *JA BizTown* may begin to perform their tasks. (Note: the only student who will be allowed to leave the business before the Pledge of Allegiance is the Manufacturing Manager). This person will go to the Distribution & Delivery Center with a \$5.00 check from the CFO to purchase supplies.)
- All employees remain in their business to continue with Start-Up tasks unless their job requires them to leave.
- At the conclusion of the 45 minutes, a *JA BizTown* staff member will request all employees to sit in front of their business for the Opening Town Meeting.

### Staff Meeting #1

Gather your employees around you. Spend about 10 minutes to complete the following:

#### **Introduce yourself and meet the business employees.**

Ask the CEO to hand out each employee's name tag and personal checkbook, which are located in the white BizPrep Envelope they brought from school.

Ask students to introduce themselves and state their job title. Using the **Break Schedule Chart** on the shop bulletin board, give each employee the correct colored dot (red, yellow or green) to place on their name tag.

#### **Assist students to prepare their checkbooks for the first trip to the Bank:**

Ask students to open their checkbooks. Review their deposit ticket, \$1.50 check payable to the Bank for their savings account, and the entries written in the check register. There is no money in their account until they actually deposit the check.

The first deposit ticket should show their net pay (see chart below) and \$2.00 cash back. The amount of the net deposit (net pay minus \$2.00 cash back) should be written on the first line of their check register.

**Use this chart to confirm each employee's net pay.**

<b>Job Title</b>	<b>Gross Pay</b>	<b>Net Pay</b>
CEO	\$9.00	\$8.82
CFO, Chemist	\$8.50	\$8.33
Manufacturing Manager	\$8.00	\$7.84

If these steps have not been completed at school, help the student complete these tasks now. (Refer to the "Check It Out" Poster on the bulletin board.)

Advise employees that they will receive a Debit Card from the Bank this morning. The Debit Card can only be used at Planet Earth and the Sports Shop. When it is time for their break, they will need to deposit their paycheck and receive their cash back before going to lunch.

Ask the employees to get their yellow **Job Simulation Folder** from the wall pocket and begin reading the information to become familiar with their job responsibilities.

Have the CFO begin working as soon as possible. Check with the CFO to be sure he/she has printed a \$5.00 check for business supplies and has begun entering the employee names and payroll information into the computer. Payroll checks for Pay Period #1 and Pay Period #2 should be printed and signed before the Opening Town Meeting.

All employees should begin working, but remind them that they may not leave the business until after the Pledge of Allegiance.

### **Opening Town Meeting**

*JA BizTown* staff will instruct students to sit in front of their business for this meeting. Please remind students to be seated quickly and quietly.

### **Break Rotation #1**

Students are divided into three groups and will rotate to take breaks. While one group is at break, the other two groups are to continue working. Remind students to check in with their boss (the CEO) before leaving for break or work-related duties. Also, remind students going to break that they must go to the Bank to deposit their paychecks, open their savings accounts and eat lunch, before doing other activities.

## **Staff Meeting # 2**

(10 minutes at the conclusion of Break Rotation #1)

Have the students meet with you in a group and **bring their checkbooks and pencils**. Please use the entire 10 minutes and these pointers to assure that you complete all necessary tasks.

### **Prepare for the second and final break:**

Ask students to open their checkbooks and complete a new deposit ticket. (Be sure each student has not asked for more than \$2.00 in cash. Be sure students enter the net deposit, which is the bottom number on the deposit ticket, in their checkbook register. Have them add to get a new balance. Refer to the "Check It Out" Poster on the bulletin board.)

Check each employee's check register to make sure he/she has opened their savings account. Any checks he/she wrote while on break should also be entered and subtracted from their balance.

Remind employees that this is their last chance to go shopping. Remind them to spend their money wisely...but to be sure to spend it, since they can't take it with them. Be sure each employee knows how much money they have available.

### **If time allows, discuss the day so far by asking the following questions:**

*ASK: Are we courteous to all of our customers?*

*ASK: Have we created attractive displays to advertise our products?*

*ASK: Do our products seem to be priced properly to attract customers?*

*ASK: Are we using good sales technique to persuade customers to buy?*

*ASK: Is each one of us doing our job?*

## **Break Rotation #2**

Students are divided into three groups and will rotate to take breaks. While one group is at break, the other two groups are to continue working. Remind students to check in with their boss (the CEO) before leaving for break or work-related duties. Also remind students going to break that they must go to the Bank to deposit their paychecks before going shopping.

**Businesses are officially closed when Green Shopping Break is over.**

## **Closing Staff Meeting and Clean-Up** (20 minutes)

Have the students bring their checkbooks and pencils to again meet with you in a group. Remember, this is the final business staff meeting of the day. The time allotted for this Closing Staff Meeting and Clean-Up period is 20 minutes. All business activity is over, and it is time to reflect on the day.

### **Reflection**

- Review with the students what they felt went well and what they believe they could have done better as a business team.
- Ask the students to share some of the things that they learned today, both as part of the business team and individually.
- Ask students to name some of the challenges they had today and what solutions they found successful.

### **Clean-Up – Have all employees do the following:**

- All unsold merchandise must remain in the business.
- Put all materials and supplies back in the original location.
- Pick-up everything on the floor.
- Check to make sure **all** student job folders and Volunteer Manuals are returned.
- **Do not** turn off the computers.
- Teachers may be interested in taking completed business paperwork back to school for follow-up, especially student checkbooks. Collect these items and place them in the Biz Prep Envelope. Give this envelope to a teacher.

### **Money Collection**

- Collect **all** *JA BizTown* coins, dollar bills, and any other *JA BizTown* reusable student materials from students and adults. Give them to a *JA BizTown* staff member or to a Bank employee when he/she come to collect them.

### **Closing Town Meeting**

Have students wait in their business until the announcement for the Closing Town Meeting. *JA BizTown* staff will instruct students to sit in front of their shop for this meeting. Please remind students to be seated quickly and quietly.

### **Dismissal**

As you leave, please return the Facilitator Comment Form to the *JA BizTown* staff or leave it on the counter in your business.

**Thank you for your assistance today. We couldn't have managed wit**

# JA BizTown™

## Lab Works CEO

You are responsible for the smooth operation of the Lab Works Manufacturing business that serves *JA BizTown* consumers. Your business has some products that need to be manufactured by your employees. Ordering products that the Citizens of JA BizTown would like to purchase, pricing correctly and making quality products in a timely manner are essential to your business' success. Assure all employees are familiar with their responsibilities and focused on their tasks.

1. Remain in your business until after the Pledge of Allegiance to help with business start-up. Your business needs everyone's help before it opens.
2. You should have brought your completed **BizPrep Booklet** from school. Give the **Business Costs Sheet** to the CFO. Keep the other pages until someone from the other businesses comes to collect them.
3. Meet with the Chemist(s) and Manufacturing Manager(s). Make sure everyone is aware of their job duties and the importance of what they are doing:
  - a. Chemist(s) will perform the experiment "Elephant Toothpaste". Make sure that they follow ALL safety requirements and read ALL the directions before performing the experiment. Place all used materials in the container provided and make sure the top is secure. A JA Staff person will collect the container after all materials have been made and experiment conducted. After the experiment, the Chemist(s) should help with the manufacturing, pricing, and selling of the Lab Works products.
  - b. Manufacturing Manager will make the products that are decided upon manufacturing. Since quality is critical in selling these products, ensure that managers understand they should make sure they follow ALL directions accurately and make quality products.
4. After you have received your initial order of your business' scarce items, use the **Distribution & Delivery Center Inventory Sheet** from the bin, begin to manufacture the Lava Bottles and set prices for them. Remember, these items cannot be reordered.
5. Review the **Merchandise Catalogue** and the **Ordering Supplies Instructions** to learn how your business will obtain additional supplies needed to manufacture the Slime for today. Your business cannot rely on selling scarce items alone. You **will** need to order additional supplies during the Business Start Up time. Work with the Manufacturing Manager to fill out an order form from the front pocket of the Merchandise Catalogue.
6. Have one of the Manufacturing Managers take the order form and a signed check in the amount of the order to the Distribution & Delivery Center to receive these additional products.
7. Using the **Merchandise Catalogue Suggested Retail Prices**, and work with your Manufacturing Managers to set prices for your products. No item sells for under \$2.00.
8. Use the laminated **Pricing Worksheet** to help assist you in setting prices and calculating the potential income.

9. Discuss the importance of using the Sales computer carefully and correctly.
10. Following the Pledge of Allegiance, take your **Loan Application** and **Promissory Note** to the Bank CEO to apply for your business loan.
11. The Bank Tellers will bring **Bank Debit Cards** for each of the employees in your business. Accept these **Debit Cards**, distribute one to each employee and ask them to complete the back of the card before going to the Bank for the first paycheck deposit.
12. Sign all business checks after they are printed by the CFO.
13. Complete the **CEO Speech Guidelines** and practice your presentation with your volunteer facilitator. You will give the speech at the Opening Town Meeting.
14. Sign the **Rental Agreement** when the Realty Leasing Agent brings it to your business.
15. Allow the Non-Profit Director to place a container for individual contributions in your business. Give him/her your **Philanthropy Pledge Sheet** when they ask for it. Encourage your employees to contribute. The Non-Profit Director will return later in the day for the container. Remember, this container is for **your** employees to use when making a cash donation, if they wish to do so.
16. When the lunches begin you will be selling items to generate income for your business. Ensure that all employees are aware of their duties at this time.
  - a. Chemist(s) and Manufacturing Managers(s) – Helping customers, taking orders, verifying funds in the POS computer, accepting checks **ONLY** for payment.
  - b. Giving the checks to the CFO for deposit.
17. Meet with the Energy Scientist representative when he/she comes to talk with you about ways your business can conserve energy.
18. Substitute for the Manufacturing Manager(s) when he/she is on break.
19. Supervise your staff to be certain that schedules are followed, that everyone does his/her job, and works together as a team.
20. As the CEO, if your own work is caught up, you should always help your business wherever it is needed most.
21. Assist with business clean up at the end of the day.

# Lab Works CFO

Using the computer at your desk, you will print payroll checks and checks to pay bills. You will also deposit business income in the Bank. The CEO will sign all checks. If the CEO is not available, you may sign them yourself.

Remain in your business until the Opening Town Meeting to help with business start-up. Your business needs everyone's help before it opens.

- The screen above will appear, showing **Deposit number 2**. You are ready for your second deposit of checks if you receive more. Follow the procedure above for making an additional deposit.
- Place the deposit into your bank bag and take it to the Bank CEO.

## 7. Loan Balance

- Because your business takes out a loan, use the following procedure to determine your current loan balance recorded by The Bank.
- When you make a business bank deposit, the deposit is entered into the business check register. Click on the **Check Register** button and you will see the deposit (and any bills that you have paid).

The screenshot displays the AT&T Check Register interface. At the top, there is a "Loan Amount Owed" field with a value of \$190.00. Below this is a table with the following data:

Number	Transaction Description	Payment / Debit (-)	Deposit / Credit (+)	Balance
	Bank Loan		\$ 200.00	\$ 200.00
01	Business Income		\$ 20.00	\$ 220.00
	-- Loan Payment	\$ 20.00		\$ 200.00

Below the table, the "Balance:" field shows \$ 200.00. A "Print Accounting Report" button is located at the bottom of the main content area. On the right side, there is a vertical menu with buttons for "Bank Loan", "Check Register", "Deposits", "Employees", "Pay Bills", and "Payroll". The AT&T logo is visible at the bottom left, and the Junior Achievement logo is at the top right.

- Note: an **automatic withdrawal** or **payment** of that deposit toward your business loan balance occurs. With each deposit you are repaying your business loan.
- Click on the **"Loan Balance"** button. You will see the business loan amount, interest, and a list of all payments (your deposits) entered.
- If your total deposits for the day are equal to or greater than the amount of your loan, you have successfully paid off your loan.
- Note: If a deposit is marked "pending," the Bank CEO has not yet entered the deposit into the Bank's records. Be sure that you take the printed deposit ticket and checks to the Bank to be entered and "approved."

## 8. Final Step

- At the end of the day, put 3 pieces of plain paper into your printer and click on **Check Register**.
- Print the **Accounting Report** for your business.
- Put the report into the JA BizPrep envelope to be taken back to school.
- This report will show if your business successfully repaid its loan and if it earned a profit.
- Assist with business clean-up.

**Congratulations on a job well  
done!**
